## REQUIREMENTS & WAIVER

---

I understand that, upon successful completion of the course (including case studies) I must pass a series of tests to meet the Canadian School of Colon Hydrotherapy requirements of Certification.

**Release:** My participation in the course is at my own risk and Canadian School of Colon Hydrotherapy and/or Free to Play Inc. and all branches and affiliations, including directors, employees, and representatives of the foregoing (each and collectively, the “Provider”) is not responsible for any injury, loss or damage of any kind sustained by me, my property, or any person or third party, whether caused by the action, inaction, or negligence of myself or others, whether sustained prior, during, or after the completion of the course. I agree that Provider disclaims all liability for any harm or damages suffered by me relating to claims by any third party.

I, on behalf of myself, my heirs, successors, and assigns, hereby release and hold harmless the Provider, from all claims of damages or causes of action arising from any accident, illness or injury which is caused by or arises from participation of the applicant named herein, during any course or any facility or location where a course is held.

**Confidentiality and Non-Disclosure:** Absolutely no part of the content in the copyrighted publications, course material or teachers’ notes, may be photocopied or adapted for teaching purposes or any other course or shared with anyone not taking the Canadian School of Colon Hydrotherapy program. Breach of these restrictions will result in legal action.

**Disclaimer:** To the fullest extent permitted by law, the Provider makes no representations or warranties to you, including about the courses or programs offered hereunder, your ability to launch or improve a colon hydrotherapy business, work in a colonic clinic or otherwise. The information contained in this course both verbal and written is a compilation derived from many sources and is not intended to replace supervision by a qualified health professional for medical or health related problems. The result of this hands-on learning is supported by the research and clinical reports of a wide range of natural and conventional health practitioners. Opinions expressed herein are strictly those of the author/instructor and in no way represent those of the medical profession or any medical association. It is strongly recommended that you adhere to your region’s licensing laws.

I understand and accept the above prerequisites and terms and understand that my registration in this course is pending approval from administration. I confirm that all the information I provide to Canadian School of Colon Therapy is accurate and correct. I certify that I have read, understand, and accept the items and terms outlined on this application form.

I certify that I have read and understood and agree to the items outlined on this form.

## COURSE FEES & DESCRIPTION AS OF JUNE 1st 2022:

### CERTIFICATE PROGRAMS OFFERED FOR STARTING A BUSINESS OR CAREER:

---

---

#### **INDEPENDENT PROFESSIONAL 5-DAY COURSE (CERTIFICATE)**

This program is designed for students if you want to **launch your own Colon Hydrotherapy business**, offering the highest of standards in the industry. This intense program will give you the skills and confidence needed to safely perform colonic services on real clients. All students will receive 3 binders and practical training on 1-3 real clients.

This course includes the “Digestive Care Advisor Program” which consists of 13 modules containing all the information you will need to make recommendations for supplements and cleanses to assist your clients in their healing process.

Offers sound advice on drafting your business plan, finances, marketing, and a step-by-step check list for starting your own colon hydrotherapy business and ideas on attracting clients and bringing your business to the next level. A certificate is given upon successful completion of this program.

#### **CLINICAL PROFESSIONAL 4-DAY COURSE (CERTIFICATE)**

This 4-Day program is designed **if you are seeking employment in a Colonic clinic and don't require the business portion**. This intense program gives you the skills and confidence needed to safely perform colonic services on real clients. All students receive 2 information binders and practical training on 1-2 real clients.

This course includes the “Digestive Care Advisor Program” which consists of 13 modules containing all the information you will need to make recommendations for supplements and cleanses to assist your clients in their healing process.

If requested, students will receive a recommendation letter once the program is successfully completed. A certificate is given upon successful completion of this program.

#### **LIVE BLOOD CELL MICROSCOPY INTRODUCTORY COURSE (CERTIFICATE)**

This training is for **anyone wanting to add this modality into their practice or start a new business**. Course materials are provided and will include extensive details as well as illustrations and power point presentation. A certificate will be issued upon successful completion of the program. Class sizes are kept to a maximum of 2 students and are completed in 1 (one) day. One-on-one can be available at no additional charge only if scheduled dates are not convenient. Includes color photo materials and mini start-up kit. No pre-requisites required for this program.

---

## SKILLS UPGRADE – PROGRAMS OFFERED FOR EXISTING COLON THERAPISTS:

---

### SKILLS UPGRADE & EQUIPMENT TRAINING – 3 DAY (CERTIFICATE)

Designed with **already practicing non-certified** colon therapists in mind, this program teaches the highest of standards in the industry with up-to-date relevant information. Learn the benefits of moving from the Woods Gravity System to the latest technology. Bring your skills to a new level using state-of the art equipment that is Health Canada and FDA approved. All students will receive an information binder and practical training on at least 1 real client while learning on the Aquanet EC-2000. A certificate is given upon successful completion of the program.

### SKILLS REFRESHER & EQUIPMENT TRAINING – 2 DAY

Designed with **already practicing certified** colon therapists in mind, this program teaches the highest of standards in the industry with up-to-date information. There is no practical training in this program. This program is for information purposes only. No certificate is given for this program.

### DIGESTIVE CARE ADVISOR PROGRAM – 1 DAY (CERTIFICATE)

This program is offered as a stand-alone course for **already practicing Colon Therapists** and in conjunction with new student courses that specifically focuses on supplements and cleanses that assist the therapist in making recommendations to clients that will assist in their healing process. A must-have training for all therapists! A certificate is given for this program.

### IMPLANT/ENEMA TRAINING – 1 DAY

This training is for **existing certified Colon Therapists** wanting to upgrade your skills to include implant solutions into your colon hydrotherapy treatments. Live demonstrations will be performed in this class while you learn about the safety, benefits, and techniques of inserting substances such as coffee, probiotic, wheat grass etc. into Colonic treatments. This program is for information purposes only. No certificate given for this program.

### BUSINESS START-UP PROGRAM – 1 DAY

This program is offered as a stand-alone course that specifically focuses on starting your own Colonic business or (if you already have a business) **for attracting more clients and bringing your business to the next level.** Basic marketing skills pertaining specifically to the Colon Hydrotherapy industry will be taught without the use of costly marketing techniques. Your business plan will keep you on top of where you are financially and focused on where you want to go. No certificate is given for this program.

### EQUIPMENT TRAINING - HALF DAY – 3-4 HOURS

This training is for you if you want to upgrade out-dated or unregulated equipment to state-of-the-art EC-2000 equipment and the optional implant device. This course is open to **anyone wanting to learn the equipment.** Each student will observe or receive one Colonic treatment and will have access to a 1.5-hour long video with step-by-step instructions for use. A great discount will be given when you purchase new equipment from the manufacturer. No certificate is given for this program.

---

**MEMBERSHIPS FOR COLON THERAPISTS/BUSINESSES & SUPPORTERS:**

---

**Membership to Canadian Association for Colon Therapists (C-ACT)**

This is a group of colon therapists that are committed to the health and wellbeing of people, and we were incorporated in Ontario as a not-for-profit organization in 2014 and call ourselves C-ACT (Canadian Association for Colon Therapists). C-ACT is not a watch-dog organization, instead, they are working to set the highest of standards in this industry in the hopes of regulation while encouraging therapists to join in our efforts. Please ask for application. This money does not go to Canadian School of Colon Hydrotherapy. It all goes directly to C-ACT.

**Inquire about Volunteer positions for C-ACT – Board Members and Volunteers wanted!**
