REQUIREMENTS & WAIVER

I understand that, upon successful completion of the course (including case studies) I must pass a series of tests to meet the Canadian School of Colon Hydrotherapy requirements of Certification.

Release: My participation in the course is at my own risk and Canadian School of Colon Hydrotherapy and/or Free to Play Inc. and all branches and affiliations, including directors, employees, and representatives of the foregoing (each and collectively, the “Provider”) is not responsible for any injury, loss or damage of any kind sustained by me, my property, or any person or third party, whether caused by the action, inaction, or negligence of myself or others, whether sustained prior, during, or after the completion of the course. I agree that Provider disclaims all liability for any harm or damages suffered by me relating to claims by any third party.

I, on behalf of myself, my heirs, successors, and assigns, hereby release and hold harmless the Provider, from all claims of damages or causes of action arising from any accident, illness or injury which is caused by or arises from participation of the applicant named herein, during any course or any facility or location where a course is held.

Confidentiality and Non-Disclosure: Absolutely no part of the content in the copyrighted publications, course material or teachers’ notes, may be photocopied or adapted for teaching purposes or any other course or shared with anyone not taking the Canadian School of Colon Hydrotherapy program. Breach of these restrictions will result in legal action.

Disclaimer: To the fullest extent permitted by law, the Provider makes no representations or warranties to you, including about the courses or programs offered hereunder, your ability to launch or improve a colon hydrotherapy business, work in a colonic clinic or otherwise. The information contained in this course both verbal and written is a compilation derived from many sources and is not intended to replace supervision by a qualified health professional for medical or health related problems. The result of this hands-on learning is supported by the research and clinical reports of a wide range of natural and conventional health practitioners. Opinions expressed herein are strictly those of the author/instructor and in no way represent those of the medical profession or any medical association. It is strongly recommended that you adhere to your region’s licensing laws.

I understand and accept the above prerequisites and terms and understand that my registration in this course is pending approval from administration. I confirm that all the information I provide to Canadian School of Colon Therapy is accurate and correct. I certify that I have read, understand, and accept the items and terms outlined on this application form.

I certify that I have read and understood and agree to the items outlined on this form.
